Dear Ms. Adams:

This is an interim response to your November 15, 2018 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. We received your request on the November 27, 2018 and assigned it case number 19-F-0342. We ask that you use this number when referring to your request.

Although we have already begun processing your request, we will not be able to respond within the FOIA's 20-day statutory time period as there are unusual circumstances which impact our ability to quickly process your request. The FOIA defines unusual circumstances as (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other agencies or DoD components having a substantial interest in either the determination or the subject matter of the records. At least one, if not more of these scenarios applies or would likely apply to your request. While this office handles FOIA requests for the Office of the Secretary of Defense (OSD), the Joint Staff (JS) and other component offices, we do not actually hold their records and our office is not geographically located with these organizations. As we do not hold the records, until the required records searches are complete, we are unable to estimate the potential volume of records or the number of consultations that will be required to make a release determination.

Your request has been placed in our complex processing queue and is being worked based on the order in which the request was received. Our current administrative workload is approximately 2,825 open requests.

In some instances, we have found that requesters who narrow the scope of their requests experience a reduction in the time needed to process their requests. If you have any questions or wish to discuss the reformulation of your request or an alternative time frame for the processing of your request, you may contact Ms. Toni Wilkerson, the Action Officer assigned to your request, at antoninette.r.wilkerson.civ@mail.mil or 571-372-0429.

The OSD/JS FOIA Public Liaison, Jim Hogan, is available at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil to answer any concerns about the foregoing.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA

mediation services they offer.

The contact information for OGIS is as follows:
